

National Tracking Poll #190810
August 01-03, 2019

Crosstabulation Results

Methodology:

This poll was conducted from August 01-03, 2019, among a national sample of 667 Republicans. The interviews were conducted online and the data were weighted to approximate a target sample of Republicans based on age, race/ethnicity, gender, educational attainment, and region. Results from the full survey have a margin of error of plus or minus 4 percentage points.
